

LUNCHES OF LOVE

GracePointe is partnering with Mission Firefly to provide healthy meals to under-resourced children in a local elementary school in the Buckhorn cluster. The children receive a bag of food each Friday to take home for the weekend. Many of these children receive free breakfast and lunch at school but may not have adequate amounts of food during the weekend.

We are currently serving 40-50 children per week.

If you would like to help by donating healthy food items or making a monetary donation we would greatly appreciate it. Below is the list of items that we pack. Please note that these items should be reasonably healthy and easy for a K-3rd grader to prepare.
