

From birth through kindergarten, we dig deep into the Bible each week to bring God's Word to life and enrich our hearts, minds and world through stories, worship, play and small groups.

Our curriculum takes your children through the Bible, book by book, over a three year span.

We currently offer three classes on Sunday mornings:

Birth - 2 1/2 yrs.

2 1/2 yrs - young 4's

Older 4's – Kindergarten

We use electronic sign-in for our services and children will not be released without a security tag.

We staff our classes with dedicated volunteers who serve once a month.

Please pick up an updated copy of our policies and procedures for your information. If you have any questions or concerns, please let me know.
