

GracePointe Kids

We believe our children belong to God and that we are entrusted with their care and well-being in all areas, including the shepherding of their young hearts.

Our Sunday morning children's ministry is called GracePointe Kids. Children 1st-6th grade attend worship with their families starting at 10:00 am and then are dismissed to Children's Church.

We offer two age groups for children's church, 1st-3rd grade & 4th -6th grade.

We provide a safe and welcoming environment, Biblical and age-appropriate teaching, and fun activities.

We have convenient check-in registration stations parents can use at the church entrances, or via text using their mobile device. Our workers are composed primarily of parents and grandparents of our church, who serve on a rotating basis. We want you to be part of a church that is truly multi-generational and vibrant!

Our desire is to lovingly and safely care for the children in our church, to train and equip children in God's word, and to serve our families and visitors alike. It is our goal that every child who participates in GracePointe Kids grows to have an accurate understanding of the gospel.
