

**GracePointe Students** is all about knowing Jesus and God's Word as our "**GPS**" for Life!

Youth today face great pressures in their daily life: from basic school and extra curricular activities to unbiblical worldviews the world offers. Our students will be encouraged to find their identity in Christ, freedom from sin through His blood, and empowerment of the Spirit for daily victory.

Our weekly fellowship time is Wednesday Nights from 5:30-7:30 in the main *sanctuary*. Students enjoy fellowship time, group game and ice breaker time, worship, Bible teaching and small group discussions. Dinner is provided twice a month! The first Wednesday each month we have a **Q&A Night** where students can anonymously bring any question for discussion.

In addition to **Wednesday Nights**, the students will have opportunities to participate in special events throughout the year including **DNOW** discipleship weekend, **an annual Retreat** at Camp MACOBA (New Market, AL), week-long Summer **local mission trip** with Rocket City Missions in Huntsville, and other service projects.

We often partner with other youth groups *in our area* so the students can *strengthen* fellowship bonds with other *teens* and be encouraged!

Students' care and safety is a top priority: all volunteers pass a background check and receive student safety training, as well as discipleship and accountability from pastoral staff.

Please call or email our **Associate Pastor of Youth and Worship, Will Grapperhaus**, for more information!
