

MEN

No little boy grows up planning to fail as a man. However, life happens! Sometimes we've had great role models and sometimes we have not. It's been said, "men need men to become men." What kind of men are you surrounded by and what kind of man do you want to become?

Do you have a clear vision of the man God created you to become? Are you supported by other men who will help you become that man? What is your plan for developing your faith, marriage, parenting, ministry, health, finances, and friendships?

The men of GracePointe are not perfect, but we do want to close the gap between where we are and where we could be and should be. We are not big on trying to develop programs and pressuring men to fit into them. We prefer to offer mentoring relationships where men can learn from each other as we seek God's Word for wisdom and rely on His Spirit for strength.

First Wednesday Men's Gathering

6:15-7:45 PM in The Zone @ GracePointe

On the first Wednesday of each month, all men are encouraged to join Pastor Bobby for a monthly dose of encouragement as we seek to help each other become the men God has designed us to be and do the work God has called us to do. The evening includes a testimony from one of our men, a brief teaching from the Bible, and roundtable discussions. Contact Pastor Bobby for more information: bobby@gracepointebc.org

Men's Small Group

6:30 PM Thursdays in the Conference Room

This is an ongoing group of men who meet weekly for Bible Study and fellowship. Contact Paul Cotton for more information: pcotton4@icloud.com

Iron Sharpening Iron

We encourage our men to form mentoring relationships for mutual encouragement and growth. This is in the early stages of being developed. Contact John Mittell if you are interested in being a mentor or being mentored. jmittell@gmail.com
