## **What Does God See When He Looks at Your Heart?**

The heroes of the Bible offer complex, flawed examples of leadership. Their stories prompt us to examine the difference between our outward appearance and what God sees in our hearts. In this ten-session series, pastor and author Sharon Hodde Miller guides us through the book of 1 Samuel, exploring the frailty of the human heart and the faithfulness of God.

### **Psalm 23 by Matt Chandler**

Many people are familiar with Psalm 23. But because we all know it, we often breeze through the psalm without slowing down long enough to rest in the assurance it offers. In this 6-part series on Psalm 23, pastor Matt Chandler introduces us to the great shepherd, the Lord, who promises to provide for every need of his flock. Though only six verses long, this psalm teaches us profound truths about our loving and protective God. By studying

Psalm 23, we'll encounter a life-transforming question: Do you trust the Lord to care for your needs?

## **Book Club**

The GracePointe Book Club is a group of ladies who meet to discuss the book(s) we have read. We meet on the second Saturday of the month from August through May. We enjoy reading books with a good story, that challenges us to look at the character's choices and the consequences of those decisions to themselves and those around them. We make comparisons with characters in the Bible and express our opinions, likes, dislikes and whether we believe the story was one of redemption. In addition to reading, we enjoy coffee and fellowship with others who have a love of reading. We would love to have you join us!

## **Special Events**

Occasionally we have special events and outings to gather women together to encourage one another, grown in fellowship and in our relationship with God. All our special events will be advertised in our newsletter and before church on the slide show.
