

# GRACEPOINTE NEWS

February 6, 2025

GracePointe Family,

**"How are you?"** We hear that question a lot. Our response is usually, "Fine, and how are you?" Our response is not always true. We are not always fine. However, to take the time and emotion to be transparent may not be what the other person wants to involve themselves in. Right? Are so we think. But who can you be transparent with? Who will listen, empathize, pray, and share wisdom with you? And will you be that kind of friend to others?

**Pray for our students and Disciple Now Weekend.** Thank you to everyone who is helping with food, housing, transportation, and chaperoning. Pray for our students to surrender more fully to Jesus and continue growing in their faith. Growing up has always been difficult, but today's world seems especially challenging. So please pray and encourage our students and their parents whenever you have the opportunity.

**This Sunday we will be looking at John 1:1-18 which is one of the passages in the Bible that identifies Jesus as God.** We are not polytheistic (believing in many gods). We are monotheistic (believing in one God). There is one God! We believe that God has revealed himself to us as God the Father, God the Son, and God the Holy Spirit. He is God and He is in eternal community. How can that be? Let's talk about it! Pray for me as I continue to prepare.

I Love You!  
Pastor Bobby
