GRACEPOINTE NEWS
What's Happening & What's Happened
February 20, 2025

GracePointe Family,

John's Gospel was written so we might believe in Jesus and have life in his name. **Belief is a verb. Belief is active! Other words for belief are faith, trust, reliance, confidence, hope, etc. In other words, we actively follow Jesus as our Lord; doing/obeying what he says. This is faith. In his book, "Practicing the Way" John Mark Comer puts it this way: "Be with Jesus. Become like him. Do as he did."**

What did Jesus teach? **What did Jesus do? How did he relate to the Father? How did he relate to other people? What was important to him? What was his attitude like? We are followers of Jesus! He has the words of life! When we believe in him, we have life in his name. He came that we might have life and have it more abundantly; now and forever!**

There is a danger in our day as was in the days when Jesus lived on earth. **The danger is that we follow rules rather than Jesus. This was a problem for the religious leader. They were committed to their religion rather than Jesus. How would your life change if you truly followed Jesus? Yes, your life will change! You cannot follow Jesus and remain the same.**

As we study through the Gospel of John, focus on Jesus. **Believe in him! He is God. He is the Lamb of God, and as we will look at this Sunday, He is the promised Messiah. I will be out of town this Sunday attending my granddaughter Ella's baptism. Pray for Will as he continues to prepare.**

I Love You!

Pastor Bobby
