## *What's Happening & What's Happened*

March 6, 2025

GracePointe Family,

**Question: Do you believe as a follower of Jesus that you have a responsibility to help others come to know and follow him as Savior and Lord?** If the answer is yes, and I believe the answer should be yes, then I have a second question. How are you prayerfully and intentionally going about fulfilling that vitally important responsibility? By the way, don't think about just you personally; think about us collectively. It's both!

**Under the authority of Jesus, we have been commissioned, commanded, and empowered to make disciples.** A disciple is someone who follows Jesus; hearing and doing what he says. Following Jesus transforms our lives! Following Jesus leads us to help others come to know him and follow him. In other words, we are born again to reproduce. So often believers just focus on their own spiritual journey and fail to understand and embrace the command of Jesus to reproduce.

**Who is someone (or several people) you could begin praying for, spending time with, and helping each other live what Jesus taught and modeled?** I think we make it harder than it should be. With God's Spirit, God's Word, God's people, and prayer we have everything we need. The hardest part is getting started. By the way, Jimmy offers equipping and encouraging opportunities to help us build discipling relationships. Jump right in. Also, our next Growth Path Class on March 26<sup>th</sup> is called Build 401 where we will help you learn how to write and share your testimony.

**This Sunday we will look at John 2:13-25 where Jesus cleansed the temple.** Now that must have been quite a sight! We don't think too much about Jesus being angry. However, he was zealous for his Father's house – the Temple. Did you know you are a temple of God if he dwells in you? Pray for me as I continue to prepare.

I Love You!

Pastor Bobby
