What's Happening & What's Happened *March 19, 2026*

GracePointe Family,

First, a quick reminder about the upcoming Battle Plan Conference. Very thankful to be part of a church committed to helping parents love and protect their children in practical ways such as on-line safety.

Bobby taught last Sunday about the universal problem of pride. Thankfully he didn't leave us there. He then walked through what the Bible teaches about humility and how to have it. That's our faith. It is not ultimately about what not to do, but is the good news that God has a better way. The Bible is not simply an instruction book about how to live, but God revealing Himself in such a way that we are actually transformed.

From the day I came to Christ as an 18 year old I was told that reading the Bible was important. I tried. When I read the Bible consistently, I felt closer to God. When I didn't, I felt further away. No one had warned me of the trap of thinking that God's approval depended on whether I was reading the Bible or not. Ironic that I turned the book about believers having God's approval because of what Christ did on the cross into something I thought I needed to read to be on His good side.

The day my view of reading the Bible changed was a good day. It became less and less something that I should do and more about something I wanted to do. The Bible isn't something we use to get God to think differently about us, but instead is something God uses to get us to think differently about Him. We have this incredible revelation that God has given so that we might KNOW Him. Knowing Him transforms us. This Sunday morning we'll look at some specific ways the God's Word can be used to bring transformation that goes beyond trying to check a box for Bible reading.

A flyer for the Battle Plan conference. The background is a blue-tinted image of a family (a man, a woman, and two children) looking at a laptop. The text is overlaid in white and yellow. At the top, 'BATTLE PLAN' is written in large yellow letters, followed by 'TO PROTECT YOUR FAMILY ONLINE' in white. Below that is the 'PWF PARENTS WHO FIGHT' logo. The date 'Saturday, March 28' is in large yellow letters, with the time '9:00 - 11:00 AM' in white. On the left, there is a QR code and the text 'FREE CHILDCARE! SCAN TO REGISTER'. At the bottom, there are two icons: a gear for 'Build a Strategy' and a group of people for 'Find your Partners'. On the right, there is a circular photo of a man and a woman, with the text 'JESSE & SARAH SIEGAND' below it.
