What's Happening & What's Happened

March 5, 2026

GracePointe Family,

Join us this Saturday, March 7th, from 9-12 for our Building Discipling Relationships Toolbox. These workshops are intended to encourage and equip us to fulfill the Great Commission. Jesus commanded us to make disciples! We don't want discipleship to be a program, but a way of life. Jesus said, "As you go, make disciples." Does disciple-making characterize your way of life? If not, why? Maybe you just haven't been equipped to do so. This is your opportunity to eliminate that excuse and join together with others who are also learning to do what Jesus instructed us to do.

Another very important opportunity is our upcoming Battle Plan Conference on Saturday, March 28th. Do you have a clearly identified plan and support system for managing the use of social media in your household? This conference is intended to help us develop a plan to battle the dangers and propagate the good. I strongly encourage you to participate.

You should know that we are very selective when it comes to putting things on the calendar. As a church, we don't want to just be busy. We want to help equip and encourage you in what really matters. Making disciples matters! Protecting our children matters! Thank you for your participation. Be sure to let our staff know their planning and efforts are making a difference in your life. I am so proud of each person on our staff! They are a blessing to me personally and to our church family.

This Sunday, I want to talk about becoming a safe person. By safe, I mean approachable and trustworthy to confide in. Jesus was that kind of person! Even sinners approached him and wanted to spend time with him. Pray for me as I continue to prepare.

I Love You!

Pastor Bobby
