What's Happening & What's Happened

May 7, 2026

GracePointe Family,

Join us tonight (Thursday, May 7th) as we participate in the National Day of Prayer at 6:30. We will pray for our nation, our state, our community, our church, and our families. We will also express worship to God through singing. I hope you can join us!

How confident are you in helping someone else grow in their faith? Building Discipling Relationships (BDR) Toolbox is designed to help encourage and equip us to make disciples as Jesus commanded us to do. This Saturday, from 9-12, you will have another opportunity to join with like-minded followers of Jesus Christ to learn how to make disciples who make disciples.

Join the Greeter Ministry Team! If you enjoy helping people feel genuinely welcomed on Sunday mornings, then prayerfully consider joining our Greeter Ministry Team. This is not an every Sunday commitment, rather our team members rotate based on a prearranged schedule. Please contact May Beasley may.r.beasley.civ@army.mil if you are interested. Thank you to all our greeters who make our guests and all of us feel warmly welcomed.

This Sunday is Mother's Day. Therefore, I will take a pause from our study of Amos. I didn't think a message on God's judgment against Moab and Judah was the right fit for Mother's Day. I want to bring a message on the Proverbial Woman. In other words, what does the Bible say about God's design and role for women? Pray for me as I continue to prepare. Also, pray for those who have lost their mothers, those who want to be mothers but haven't been able to, and those who have had a difficult relationship with their mother. This can be a hard day for them.

I Love You!

Pastor Bobby
