What's Happening & What's Happened

August 13, 2026

GracePointe Family,

A lot of times, churches tend to focus on themselves. Maintaining an outward missional focus is not easy for churches to do. Yes, we do need to care for each other, AND we also need to care for those who need Jesus and a local church family. How is your outward vision? Do you see the people out there who need help, faith, and a spiritual family? Let's do what Jesus said in John 4:35, "lift up your eyes and see..."

Another thing Jesus taught was not to discriminate in your invitations. Don't just invite people over to eat who will then invite you over or help you with something. Jesus said in John 4:13 to invite people who are not in a position to return the favor. Look for opportunities to care for and serve others who are in need. Except for the grace of God, their circumstance could be your situation. Therefore, no pride, just compassion, because Jesus has been merciful to us.

This Sunday, we will begin Chapter 8 of Amos. In this chapter, God says he is going to send a famine on the land. However, this famine is not a food famine, "but of hearing the words of the LORD" (vs. 11). Don't ever take God's Word for granted! Be grateful! Remain spiritually hungry! Treasure God's Word in your heart! Stop right now and thank God for speaking to us through His Word. Pray for me also as I continue to prepare.

I Love You!
