What's Happening & What's Happened

September 17, 2026

GracePointe Family,

Couples! Have you signed up for our ReFocus Marriage Conference? Text "REFOCUS" to 256-859-8575 and follow the link to register right now. I want all our couples to attend unless you just can't. Please don't wait till the last minute to sign up. We want to be well prepared and know how many are participating. I'm sure we all could use some help when it comes to communication, sex, parenting, and money. Please make this important marriage conference part of your daily prayer list.

How is your prayer life these days? Are you feeling rushed, distracted, unmotivated, empty, short on faith? Try praying the Scriptures. There are many great prayers in Psalms. Paul prays some powerful prayers in the Epistles. Jesus gave us a model prayer we can pray. Another idea is to enlist a prayer partner. This could be someone you meet and pray with in person on a regular basis. I often pray with people over the phone, so this could be someone you pray with regularly on the phone or FaceTime. I want to encourage all of us to pray when we feel like it and when we don't feel like it. Take time to pray with your spouse, children, household. Pray!

I'm thankful for Will preaching this past Sunday while we were away attending a funeral. This Sunday, we will talk about praying for patience. Have you ever prayed for patience? My guess is that your patience was then tested! Patience is important! Did you know God is patient? Your life is better, and everyone around you benefits when you become more patient. Pray for me as I continue to prepare.

I Love You!
