What's Happening & What's Happened

November 12, 2026

GracePointe Family,

Disciples of Jesus are not mass produced, and discipleship is not accomplished quickly. Through intentional relationships over time, we have opportunity to help others come to know and follow Jesus Christ. Do you know how to do that? Many Christians do not. Let us help you! We have a group of people in our church who are learning how to build discipling relationships. I invite you to join the movement. Discipleship isn't a program. Discipleship is a way of life. Join us at the BDR Toolbox from 9 till noon this Saturday.

Are you trying to live the Christian life in your own strength and are exhausted? That was not God's plan! On the day of Pentecost, Jesus' followers were all filled with the Holy Spirit. God fulfilled his promise! He sent the Holy Spirit to teach, empower, convict, comfort, gift, and pour God's love into our hearts. We cannot live the Christian life without the power of the Holy Spirit. This Sunday, we will continue our study of Acts, beginning with chapter two. Pray for me as I continue to prepare.

I Love You!

Pastor Bobby
